The following explanation in the front of the Bible of
Clarissa Wisdom Gober Dubose.

The first Bible in English printed in this country was by Robert
Aitken in Philadelphia 1782, later by William Young in 1791.

Several front pages are missing; then an explanation about the
beginning of the King James I Version.

"This Bible was begun in 1607, but was not completed and published
until 1611; and there are copies of it which in their title pages
have the dates 1612 and 1613. This translation was corrected and
many parallel texts added by Dr. Scattergood in 1683; by Dr. Lloyd
Bishop of London in 1701; and afterwards by Dr. Paris, at Cam-
bridge; but the most complete revision was made by Dr. Blayney
in the 1769, under the direction of the Vice-Chancellor and
delegates of the university of Oxford; in which, 1. Punctuation was
thoroughly revised; 2. The words printed in italics examined, and
corrected by the Hebrew and Greek Originals; 3. The proper names
to the etymology of which allusions are made in the text, trans-
lated and entered in the margin; 4. The heads and running titles
corrected; 5. Some material errors in the chronology rectified;
and 6. The marginal references re-examined, corrected and their
number greatly increased. Copies of this revision are those which
are termed above the most correct copies of the present authorized
translation."
